

# THANK YOU

Since 2007, Smith County Mayor Michael Nesbitt and his staff have played a vital role in the success of the Smith County Fair.

Without their assistance, guidance, and hard work, the Smith County Fair would not be what it is today. Through the countless hours of service, Mayor Nesbitt and his staff have helped to ensure that the residents of Smith County could have a fair to call their own. We on the Smith County Fair Board are very thankful to have had the support of Mayor Nesbitt and his staff and wish them the best of luck in the future.
