

We are Riverview

Riverview Regional Medical Center (RRMC) provides general medical and surgical care, 24-hour emergency services, skilled nursing, psychiatric services and geriatric care to residents of Smith and surrounding counties. RRMC has had a strong tradition of supporting its surrounding communities through the development and promotion of health awareness and by delivering high quality, cost-effective healthcare services.

Riverview Regional Medical Center has the services you need when and where you need them. You don't need to go anywhere else.
