

Owls

From page C-6

Defensive Coordinator

“Coach Harville has been here at Smith Co. for several years and knows how important it is to put on the Black-and-Gold. He is a very intense coach and demands excellence from each player on our defense every Friday night.”

STEVEN CLEMONS.

Offensive Coordinator

“Steven is taking on a new role this year and will be calling the plays. We feel that with his experience of being around our team, that he knows what to do in order for us to be successful.”

ZAC CARTER.

Offensive Line

“Zac returns to coach our line and has done a solid job for us. He continues to make our guys up front better and we must continue to improve this season.”

RANDALL SMITH.

Running Backs

“Coach Smith preaches to our kids every day about ball security and we did a great job last year as we committed only 14 turnovers in 13 games. We must maintain those kind of numbers in 2018.”

TODD CURRIE.

Defensive Line

“Todd helps us with the defensive line and is always eager to teach. We are fortunate he dedicates his time to make

Owls football as good as it can be.”

BRANDON RIGSBY.

Wide Receivers

“Brandon is very dedicated to our program and is there to help in any way. Despite putting in a lot of long hours at his job, he still finds the time to coach several sports in the county which shows his dedication to the youth of Smith County.”

GLENN SLACK.

Defensive Line

“Glenn comes and helps us and is a former player that knows the ins and outs of playing in the offensive line. He is a former Owl who also played at Cumberland and was a quiet leader for us that led by example.”
