Take a Trip to the Museum!

There are many different kinds of museums: art museums, history museums, nature museums and more. It can be fun to go to a museum, but sometimes that is just not possible.

This week, Kid Scoop takes you on a pretend visit to a few different kinds of museums. Grab your imagination and let's go!

Museum Maze

There are many museums devoted to food! In Vermont there is a Maple Syrup Museum. In California, there is a Banana Museum. In Wisconsin there is a museum dedicated to this food product. Take a guess, then gather the letters along the correct path of the maze to spell the name of the food.

Nature Museums

Nature museums are full of amazing things to observe. Test your observation skills by seeing how many squirrels you can find here:

Look Closely!

A museum has lots of things to look at. Draw squares on the picture above to show where each of these photos was taken.

Extra! Extra! Scavenger Hunt

Look through the newspaper to find:

- A number greater than 100
- A three-syllable word
- A happy person
- Something that is man-made
- Something made by nature
