CRESCENT PAPER TUBE COMPANY

PAPER TUBES • PAPER CORES • SPIRAL • CONVOLUTE

76 Industrial Park, Lewisport, Kentucky

We are a fourth generation, privately owned company established in 1919. We have two locations, one in Florence, Kentucky, and one in Lewisport, Kentucky. The spiralling success of the CRESCENT PAPER TUBE COMPANY began in the early part of this century thanks to the basic precept that quality would not only be our greatest challenge, but our richest reward. Since 1919, this time-honored rule has provided a constant source of strength and stability for both our company and our customers.

Today, as one of the nation's leading spiral paper tube and convolute paper tube manufacturers, CRESCENT proudly occupies a permanent place at the very core of American industry.
