

FAIR SURVEY

The Fair Board appreciates all comments. We accept the criticism as constructive, and make an effort to improve those areas.

You are encouraged to complete the fair survey again this year as the Hancock County Fair Board strives to improve this event annually.

If you would like to help in an area, please let one of the board members know, thank you. The Hancock County Fair Board asks that you take a few moments to complete the following survey after the fair has ended.

Comments and suggestions from the public, participants and fair workers assist the Fair Board in planning the next fair.

While the fair is still fresh in your mind, please consider this survey. You are asked to "grade" the event on the following scale:

- (1) very poor;
- (2) needs improvement;
- (3) adequate;
- (4) above average;
- (5) very good.

Please feel free to include ideas for new events or ways to improve current ones.
