Commercial booths at the fair are popular visitor attraction

It is once again time to reserve booth spaces in the commercial building for the Hancock County Fair. Having a booth at the Hancock County Fair presents a prime opportunity to meet new people, promote your business, and show your support for one of the most well attended events in the county.

The Commercial building, where the booths are located, is locked at night. The Hancock County Fair board accepts no responsibility for lost or stolen items. The renter will supply necessary tables, chairs, and other supplies for their booth. Renters will be expected to leave their booth area in the condition it was found.

There are commercial booths available for FREE during our fair. Booth space is a

10' x 10' area. Booths will be assigned as calls are received. Due to space limitations, more than one booth will be based on availability. Notification for additional booth occupancy will not occur until the week of the fair.

Please call 270-922-9143. If there is no answer please leave a message and your call will be returned as soon as possible.

There has been some confusion in the past as to who to talk to about reserving the booth spaces. Please use the contact listed above to ensure that your commercial booth is booked.

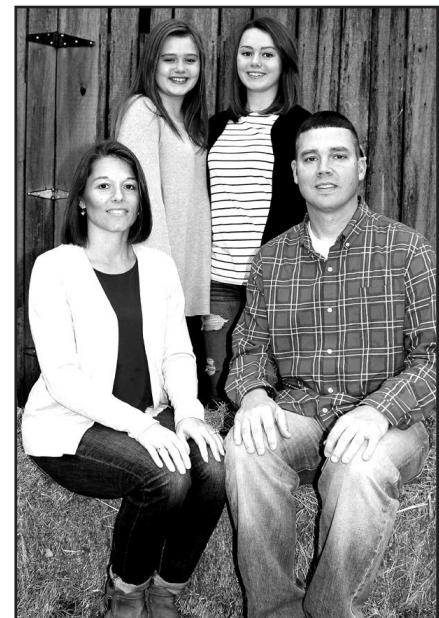

Thank you for your interest in the Hancock County Fair.
