Reserve booths for county fair

Attention all area businesses and industries, it's time once again to reserve a commercial booth at the Hancock County Fair to be held this year Aug. 8-11. Let the community know what your products are and the processes involved in creating them by preparing an informative package of samples and brochures. For more information or to reserve a booth, contact Franklin Powers 270-922-9143

Congratulations to Franklin Powers on all his hard work on the fair.
We wish everyone a safe and happy time at the Hancock County Fair
