

Good Luck at the 15th District Tournament FALCONS & LADY FALCONS

A rollicking success Jamboree raises spirits and funds

By ANNE PYBURN CRAIG

Long tables groaned under an array of auction items ranging from the eminently practical to the beautiful and delicious and a makeshift "jail" was set up in one corner of the community room, which quickly became standing-room-only as Signature Health-CARE elders, stakeholders and supporters waited for the Rock-n-Roll Jamboree to begin.

Elder Dennis Gentry was named Valentine's King; the Valentine's Queen is elder Leatha Bartley. Gentry and Bartley also took first and second place, respectively, in the walking race, with Joan Spear placing third.

Winners of the Wheelchair Race were Joan Spear, Brenda Trivett, and Virginia Wilson, The Rocking Chair blue ribbon went to Annie McLerran, with an elder who prefers to remain anonymous taking second place and Nella Stewart and Mary Wax tied for third.

The event, which combines the fundraising auction and "jail and bail" game with friendly competitions and the crowning of the Valentines King and Queen, raised about \$2,400 to be divided between the facility's Relay for Life team and its Elder Vacation program.

Vetter continued from page 1

I served honorably over five years in the Navy as a Cryptologic Technician (Interpretive) specializing in the Arabic language. During Desert Storm I augmented Sixth Fleet forces in the Mediterranean Theater and had the enviable opportunity to ride surface ships, submarines and aircraft throughout the conflict.

After separation from the U.S. Navy I returned to Monroe County and started public work. Over the last 25 years I have held numerous positions and taken valuable experience and knowledge from each. My experience in the workforce has also been enhanced by my time in the Kentucky National Guard. From 1997 to 2003 I served the Commonwealth as a gunner for the 623rd FA, A-Battery unit in

Tompkinsville and as a radio repairman in F-Company, 127th Aviation in Frankfort. I have also attended various schools since my return to Monroe County and hold a Diploma in Construction Technology, a Certificate in Computer Aided Drafting and Design and, most recently, an Associates of Applied Science.

I ask you to support me in my bid to be your next Monroe County Circuit Court Clerk. I have the aptitude, the ability and the desire to be your Circuit Clerk. I have served our Country and our Commonwealth and now I stand ready to serve Monroe County.

You have until April 23rd to register to vote in the May 22nd primary. Please exercise YOUR RIGHTS and register to vote. Even if you do not vote for me, please go to the polls and vote for someone.
