

Lantana Great American Cleanup

The Town held the "Lantana Great American Cleanup" on Saturday, Apr. 21 from 8:30 a.m. - 11 a.m. at Lantana Beach.

The Town teamed up with Leo A Daly, Eau Palm

Beach Resort & Spa, Palm Beach County and the Keep Palm Beach County Beautiful Organization to help provide supplies and volunteer services. Many other volunteers came

from Lantana, Greenacres, Palm Springs, West Palm Beach, Lake Worth, Wellington, Royal Palm Beach, Boynton Beach, Riviera Beach, Boca Raton and the Acreage. Thirty-nine vol-

unteers walked the beach, parking lot and park area picking up trash consisting of plastic bottles, a large wooden crate, foam pieces, plastic pieces, cigarette butts, bottle caps, foam

cups, plates, plastic bags and many more items. After weighing all the collected trash, the volunteers picked up a total of 120 lbs. of litter. All participants enjoyed a very rewarding

day. The Town is looking forward to continuing annual cleanups around the community and thanks everyone for participating in this successful cleanup event!
