

Mayor Pam Triolo and Joyce Brown of Clay Glass & Metal Gallery pulled the ribbon on the new Little Free Library which will reside in City Hall.

City Hall Gets Little Free Library

Joyce Brown decorated this LFL with clay and donated it to City Hall. The lfl is on wheels making it mobile to move around the building as needed.

All of the decoration is done in clay and painted. The images on all sides and the top represent the diversity of the children of Lake Worth.
