Blessing of the Pets

By Helen Vogt Greene

On Sunday, Sept. 30 at 10:30 a.m., the First Congregational Church of Lake Worth, located at 1414 North K St., will hold the popular Blessing of the Pets. All pets owners are invited to bring their cats, dogs, fish, hamsters birds, and other creepy crawly pets, to this special service.

The inter-generational and inter-species worship service commemorates the Feast of Saint Francis, the patriot saint of animals and the environment. This special service will be held

in the Fellowship Hall.

The Feast of Saint Francis, who was born in the 12th century, is usually celebrated on or before October 4. Francis was made a Saint by Pope Gregory IX in 1228.

Celebrated during the Season of Creation, the Blessing of the Pets helps children and adults alike to learn that not all pets are loved, but are endangered and abused.

Pets of all kinds are God's gift to humans. They deserve our best care for their faithfulness to us as owners.

PBC Lantana Library Offers Sensory Friendly Browsing

The Palm Beach County Library System is offering special library hours on Sunday, Sept. 23 from 10 a.m. until 12 p.m. at the Lantana Road Branch. The event is designed to provide a quieter and calmer environment for special needs children, teens and their families.

Families with children ages 0-17 are invited to visit the library before normal operating hours so

that children and teens can become more familiar with the library and meet staff in a reduced stimulation environment. Space is limited, so families are required to register by contacting children's services at the Lantana Road Branch by calling 561-304-4519.

Families will be able to sign up for a library card; check out books, movies, music and more; learn about free access to e-books, au-

diobooks, online magazines and online resources; have fun with puzzles, toys and coloring pages; chat with Talking Books and Books-By-Mail staff about their services; enjoy computers with free access to ABC-Mouse.com and take a tour of the library.

This event, to be held every three weeks, will feature everything available during regularly scheduled hours as well as an opportu-

nity to access the library's resources in a quiet and sensory friendly environment. Although members with special needs are welcome to use the library at any time, the Sensory Friendly Browsing Hours will allow those with Autism and other disabilities to feel welcomed, free of judgment, and free to be themselves.

The Lantana Road Branch is located at 4020 Lantana Road.
