

2017 Soil Judging Contest

(Continued from page 2)

and many other partners, allows the SWCD to demonstrate techniques to improve soil health on the VUJC crop ground. In 2017, the SWCD hosted a spring workshop about cover crops and nitrogen management that was streamed live on Facebook. Then in fall of 2017, the SWCD hosted an advanced workshop for local farmers who already utilize conser-

vation practices, to help them take their operations one step further.

The SWCD's monthly meetings are on the first Thursday of each month in the USDA Service Center in Jasper. The public is invited and encouraged to attend. Contact the office for the most up to date meeting time.
