Dear Alumni and Friends,

Greetings from the South Spencer Scholarship Foundation.

Commencement 2018 is rapidly approaching. Graduating seniors are experiencing a plethora of emotions in this fast paced and rapidly changing world environment. Excited and anxious about starting their college careers, wondering what it will be like being away from home, nervous about how hard it might be and maybe uncertain as to how they can afford it. Since 1980, the South Spencer Scholarship Foundation was established to provide assistance in addressing some of the financial needs students incur while seeking higher education as well as rewarding academic excellence. This year, the Foundation proudly presented 60 scholarships valued at \$58,000. Since its inception, 1168 scholarships have been presented totaling \$700,000.

As graduation nears, please consider a contribution to the South Spencer Scholarship Foundation in order that financial assistance can continue to help more and more students get a start. Perhaps you may want to consider establishing a scholarship honoring or memorializing a loved one. The various levels of giving are shown below.

If you have any specific questions regarding contributions, funding scholarships or the Foundation in general, contact any of the Board of Directors or call South Spencer High School for direction.
