## When more endurance counts...

## The NEW 2820

**When extra endurance is required,  
Bush Hog® has just the right cutter.**

The **NEW 2820 Flex-Wing Rotary Cutter** meets the Bush Hog® tradition of "more value for your investment!" The oil sight gauges, EZ lube drivelines, and wear bushings at axle pivots are just a few of the extra value features that separate it from

competitor units. Adding maximized performance and durability crucial for the cutting of road sides, row crops, and pastures results in a 20-foot Flex-Wing that is easy to distinguish from the pack.

**Your investment decision is easily made. Nothing beats a Bush Hog®!**
