Summer Konerding

(Continued from page 6)

Summer Lynn Konerding, of Lamar, is the 17-year-old daughter of Phil and Shelly Konerding. A junior at Heritage Hills, she stands 5'2" and has brown hair and brown eyes. She is a member of Student Council, which she says she enjoys because it allows students opportunities to develop leadership skills through organizing school

projects and activities. She is also involved in 4-H and has participated in the 4-H fair, going to State competition multiple times for cake decorating and crafts. A member of St. Martin Catholic Church in Chrisney, she is involved in her church's summer socials. She also volunteers with projects and organizations in the surrounding counties. A year ago, she created her own business called "Be Charmed", from which

she gives a portion of her profit to private organizations to help those in need. She enjoys baking, cake decorating, listening to music, spending time with her family and friends, working out and exercising. She runs track and was a part of the PAC during her freshman year. After high school, she plans to attend USI to pursue a career in the medical field, with the hope of one day continuing her education and

becoming a nurse practitioner. She is sponsored by Englert's Auto Service and Collision Center.
