

# Dubois County Humane Society meet and greet

The Dubois County Humane Society will have a team out and about in the park all day during the Folk Fest. Their mission will be to educate the community about the services the organization offers and introduce festival patrons to dogs hoping to be adopted into lov-

ing, forever homes. In addition to mingling with the crowd, the Humane Society will also have a booth where snacks (for humans) will be sold and a photo booth where folks can have their picture taken with their favorite pet or one they might adopt.

The Ferdinand News and Spencer County Leader are proud to publish this special section. Thanks to the advertisers who support the Ferdinand Folk Fest.
