## Heartfelt Greetings by Amy

Amy Beckman is a Haysville native with an eye for design and a love of paper crafting. She makes and sells handmade cards from a private crafting studio in her Dubois home. Here she is pictured with a tiny selection from the bins of ready-made cards she keeps on hand for 'emergency' orders.

Right: "Greetings from Indiana" is one of Amy's best-selling designs. Find the Strassenfest themed version on the shelves at Schnitzelbank, Jasper.

Top: Beckman uses this special stamp to mark each of her handmade cards.
