## 11 RCHS graduates named Sen. Jeff Green Scholars

Eleven students in the 2018 graduating class at Russell County High School have been named Senator Jeff Green Scholars by the Kentucky Higher Education Assistance Authority (KHEAA). To earn this honor, a student must have a 4.0 grade point average each year of high school and at least a 28 composite on the ACT.

Local scholars are Brooke Begley, Austin Budzisz, Jensen Carnes, Camryn Coots, Anna Ford, Christopher McClaskey, Madison Popplewell, Brenna Posey, Shelby Robertson, Abigail Russell and Elizabeth Smith.

These students have also earned \$2,500 a year in Kentucky Educational Excellence Scholarship (KEES) awards. If they keep their grades up in college, they will have \$10,000 to use toward a four-year degree.

The designation honors the late state Sen. Jeff Green of Mayfield, who served in the Kentucky General Assembly from 1992 to 1997.

KEES and other Kentucky student aid programs are administered by KHEAA. KEES awards are funded by net Kentucky lottery proceeds and may be used at most colleges and universities in Kentucky. In some cases, the award may be used at an out-of-state school if the major the student is pursuing is not available in Kentucky. No application is necessary for KEES awards.

For more information about Kentucky scholarships and grants, visit [www.kheaa.com](http://www.kheaa.com); write KHEAA, P.O. Box 798, Frankfort, KY 40602; or call 800-928-8926, ext. 6-7214.

KHEAA also disburses Advantage Education Loans, the state's only non-profit private education loan. For more information, visit [www.advantageeducationloan.com](http://www.advantageeducationloan.com).

### Notice of Intent to File Application

The City of Jamestown will be filing an application with Rural Utilities Service (RUS) for financial assistance to complete the Jamestown Water Meter Replacement Project. A general public meeting will be held in the future to discuss the proposed project.
