

# Weekly HOROSCOPES

**ARIES - Mar 21/Apr 20**  
Aries, things that may have confounded you in the past will be much clearer this week. Someone comes into your life and will explain what you need to know.

You are naturally trusting of others, Libra. But keep a small amount of skepticism going so that no one takes advantage of you. Once you vet friends, keep them close.

**TAURUS - Apr 21/May 21**  
Conversations with friends the next few days prove to be a great mood-lifter, Taurus. Things in your life will continue in a positive direction for some time afterwards.

**SCORPIO - Oct 24/Nov 22**  
Spending too much time worrying about what others are doing or what they think of you is not productive, Scorpio. Focus on what makes you happy and don't worry about others.

**GEMINI - May 22/June 21**  
Gemini, even though work life and home life are separate, there are some instances when they might overlap. Use this time wisely to build deep relationships.

**SAGITTARIUS - Nov 23/Dec 21**  
You may have taken on too much, Sagittarius, and now you think you can't get it all accomplished. It may take a few long nights, but your initial goal is still attainable.

**CANCER - Jun 22/Jul 22**  
You have a trustworthy circle of friends, Cancer. If the going gets a little tricky this week, call upon the people who just can't wait to support you.

**CAPRICORN - Dec 22/Jan 20**  
It is okay to seek perfection, Capricorn, but not when others are helping out. Be grateful of all they have to offer, even if you may need to fix something along the way.

**LEO - Jul 23/Aug 23**  
Let supervisors know just how much you have been contributing at work and how it has been beneficial to their bottom line. This can be the doorway to a pay increase, Leo.

**AQUARIUS - Jan 21/Feb 18**  
Aquarius, you must follow through when you say you are going to do something this week. If not, others may associate you with empty promises, and that reputation is not easily remedied.

**VIRGO - Aug 24/Sept 22**  
Virgo, do not feel like you have to change much about yourself to fit the mold others have created. It is okay to be unique and be proud of your differences.

**PISCES - Feb 19/Mar 20**  
This is a good weekend for kicking back and relaxing, Pisces. If you feel like hosting, open your home to some guests for even more fun.

**LIBRA - Sept 23/Oct 23**

**\*For your entertainment.**
