

DURANT NEWS

by Rowena Hill

Hearts are saddened because of the death of one of the Carr sons that lived here for many years while a young man. He passed away after a lengthy illness. He lived across from the hospital, attended school here for many years. He was a faithful member of First Baptist Church. Many in the community will remember the Carr family. They were wonderful, God fearing and loved by all.

We are glad that Barbara Kinnebrew has moved into the new addition built on to the home of Mrs. Cynthia Bratcher and her brother, just for that purpose. The new arrangement is so that it won't be necessary for Barbara to live alone. It's good to have residents such as this in our small town.

Hope all had a wonderful Christmas. We had a really good Christmas. The house was full and all seemed to be happy. There was Shirley, Sammy and Jay; James David Wells, Sonia and children, of Clinton; Mr. and Mrs. Warren Conner, of San Antonio, Texas.

All enjoyed being together with lots of good food provided by Shirley, Sammy, Joey and Jackie mostly.

Hope all who reads this had a wonderful time with loved ones.

All are thankful Mrs. Gale Sheppard had returned from spending time with family during the school break for Christmas.

Love and prayers are for those of our community and area who aren't well. May God bless each one.

Mrs. Stacey Jones and daughter of Yazoo City visited with her parents Ed and Judy Hathcock, Saturday and attended the Aldy

family Christmas gathering.

Mr. Francis Brantley of Conway, Arkansas attended the Carr funeral Saturday in the Jackson area before driving to Durant for a visit with friends. He returned home Tuesday.

Calendar of Events

DEADLINE:

4 P.M., FRIDAY

HOLMES COUNTY EXT.
There will be a Private Pesticide Applicator training and certification on Wednesday, January 10, at the new Holmes County Extension office at 1 p.m. in Lexington. Betsy Padgett will conduct the training for those farmers and anyone else needing certification for their private use of "RESTRICTED USE" pesticides.

This certification is NOT for those wanting to be certified for commercial application of "restricted use" pesticides. Registration for the training is on site and \$10.
