Seed for Food Plots Available

Whether you are a photographer, a hunter or just like viewing wildlife on a sunny afternoon, anyone who has spent time overlooking a food plot will have a deep appreciation for wildlife plantings.

Food plots are very attractive to wildlife enthusiasts because they can supplement daily nutritional needs at a low cost. These plots can be designed to serve as a source of food and cover. Well-managed food plots have the potential to not only increase the wildlife population and their quality of health, but can also increase our opportunities for wildlife viewing.

To aid landowners who would like to plant wildlife food plots, Wildlife Missis-

siippi is continuing its popular Wildlife Habitat Seed Program. Through this program, Wildlife Mississippi will make seed available at a minimal cost.

The Wildlife Habitat Seed Program is designed to provide an incentive for landowners to establish and maintain food plots that will yield a variety of benefits to the landowner as well as to the species of wildlife he or she is managing.

Roundup Ready® corn, Roundup Ready® soybeans and grain sorghum (not Roundup Ready®) will be available through Wildlife Mississippi's Spring 2017 Wildlife Habitat Seed Program. All seed has been treated and has good germination rates. Wildlife Mississippi will also be taking pre-orders for winter wheat, which will be distributed in the fall.

If planted properly, the various types of seed will be utilized by a variety of species of wildlife. White-tailed deer, turkeys, bob-white quail, mourning doves, waterfowl and many species of songbirds will benefit from the plantings

of the seed that is offered.

The guidelines regarding this program are simple and easy to follow. Anyone interested in obtaining seed

should place their order no later than March 2, 2018. Orders are fulfilled on a first come, first serve basis.

Shipping and handling charges incurred by Wildlife Mississippi are included in the price of the seed. The costs will be \$25.00 per 50 lb. bag for Roundup Ready® corn, \$14.00 per 50 lb. bag for Round-

up Ready® soybeans and \$12.00 per 50 lb. bag for grain sorghum. You may pre-order winter wheat that will be distributed in the fall for \$9.00 per 50 lb. bag. Pick up locations will be Amory, Greenville, Hattiesburg and Madison.

For an order form and planting recommendations for this beneficial program, send a self-addressed stamped envelope to Wildlife Mississippi, PO Box

12, Stoneville, MS 38776. If you wish to place your order online, please visit our website at www.wildlifemiss.org/seed.

James L. Cummins is executive director of Wildlife Mississippi, a non-profit, conservation organization founded to conserve, restore and enhance fish, wildlife and plant resources throughout Mississippi. Their web site is www.wildlifemiss.org.

Contractors with Mayrant & Associates of Jackson were on the Lexington Court Square Thursday morning, February 15, repairing the pedestrian crosswalk railings at three crossings around the square that have been damaged over the past years. Railings were damaged from large trucks and careless drivers running into/over them. (Photo by Matthew Breazeale)
