Two friends and I went for a ride to Canton on the 4th of July. After we ate we went shopping at a Dollar General store. It was one of those mini grocery mart. Believe or not, they had small round, seedless watermelons for \$1.95. That's too good to be true but I saw them with my own eyes.

If what the old folks say is true about living a long time if people say you are dead when you are not; Clarence Palmer and D-Man will live a long time. They are both preachers but no one addresses them as reverends. People had it out that they were dead, but they are still kicking (alive). D-Man is a street preacher. You might hear Clarence whistling a Christmas tune in the month of June.
