

WEST REPORT

by
West Civic Club

The West Civic Club held its monthly meeting the third Wednesday afternoon in October. There were eleven members present. The guest speaker was Doug Aldridge, who gave a very interesting talk on his recent trip to Alaska. He discussed the town of Haines which, is a very old mining town, Denali National Park and the cruise ship that took them from Juneau back to Vancouver, WA along the inside passage in Alaska with stops at some of the other Islands. Thanks for sharing your experiences with us Doug.

Hostesses for the meeting were Jean Aldridge, Billie Aldridge and Claudette Hathcock. Unfortunately Ms. Claudette was unable to attend due to the flu. We certainly hope she makes a speedy recovery. The West Civic Club voted to send a donation of \$200 to Central Hills Baptist Retreat and \$150 dollars donation to the Friends of the Library using the money for the summer kids programs. These donations are part of the grant monies received from Entergy. It was discussed and voted on that the club would

try getting the paperwork done for the grant monies for repairs on the West Civic Club, which is the old school house in West. The Christmas Basket list was sent around to each member to go over to add or take off names by the November meeting. This will give the persons involved with purchasing the items for these baskets, an idea as to the amount of items needed for our baskets. We would also like to extend to Bro. Charlie and his wife Sandy our thoughts and prayers in the recovery of their health. Sunday Carol Black hosted the Thomastown Christian Church members for dinner at her house. All participants brought a dish to help with the meal. A good fellowship and a delicious variety of dishes was enjoyed by all.
