

# MDWFP Provides CWD Sampling for Hunters Statewide

The Mississippi Department of Wildlife, Fisheries, and Parks (MDWFP) encourages hunters to participate in voluntary statewide Chronic Wasting Disease (CWD) sampling efforts during the 2018-2019 hunting season. MDWFP has set up 21 drop-off freezers across the state for hunters to deposit deer heads for testing (location list attached). Instructions and materials are on-site and MDWFP staff check the freezers weekly. In addition, MDWFP will operate check stations for hunters to bring their harvested deer for CWD sampling. Check station locations

and dates of operation:  
 · Onward Store AND the intersection of Highways 465 and 61 (boat ramp)  
 \* Saturday, November 17
