A student-led event at Clinton High School celebrated the diversity and talent of students.

The CHS Culture and Arts Fest was held in the school cafeteria. It was open to all CHS students and the public.

"We had several student clubs sponsor this event, including National Art Honor Society, Cultural Awareness Society, Poetry Club and Thespian Troupe 7314 of the National Thespian Society," said event co-organizer and CHS student Regina Hunsinger. Her classmate Sahil Patel also organized the event.

"We celebrated the varying cultures of our students by putting up an artifact museum and holding a multicultural fashion show, in which students represented different countries with each's style of clothing," she said.

Students also provided food for the event, including special dishes from India, Jamaica, Mexico and other countries.
