

Melton addresses Le Bonte members

Special to The Clinton Courier  
Dr. Cindy Melton, center, dean of the Mississippi College School of Education, shared facts and updates about the MC education program with Le Bonté members at a recent meeting. Serena Calhoun, left, Caroline Hoff, right, and Claire Barlow (not pictured) were hostesses for the meeting. Dr. Melton pointed out that sixty-five students graduated from MC in education last year. After earning her bachelor's and master's degrees in education at Mississippi College, Dr. Melton followed her calling into teaching. A native of Batesville, she taught at the elementary, middle and junior high levels at schools in Utica and Clinton. She joined the MC faculty in 2001. Named the Outstanding Young Professor of the Year at her alma mater in 2005, Dr. Melton later became the chair of the Department of Teacher Education and Leadership and two years ago began her service as education dean.
