

Choctaws to be featured twice on GSC on ESPN3

Special to The Clinton Courier

The Gulf South Conference Game of the Week returns for its fourteenth season with a ten-game slate featured exclusively on ESPN3 and the ESPN App.

ESPN3 will serve as the exclusive carrier of the league's package for the fifth straight season. This year's slate will feature nine Saturday games and one Thursday night contest.

"We are proud to continue to feature GSC football on the national stage

on a weekly basis," said GSC Commissioner Matt Wilson. "The ESPN digital platforms maximize exposure and allow fans, student-athletes and future recruits easy access to the best football in Division II."

The Choctaws will be featured twice on the GSC on ESPN3, opening with a home game against 2017 NCAA Division II national runner-up West Florida on September 22 (7 p.m.) MC will also be featured nationally when they travel to Rome, Georgia, to face Shorter on October 20 (noon).

"We played a tight game against West Florida down in Pensacola last season," said Head Coach John Bland. "That game came down to the wire, and we are looking forward to playing them at home, and hopefully that will tilt the scales in our direction. We've won two straight against Shorter, and this will be a good opportunity on a national stage to get that win streak to three."

This will be the second time MC has played West Florida on ESPN3, falling at home to Argonauts, 42-28, on October 8, 2016. Overall, the Choctaws have played eight games on ESPN3 since re-joining the GSC in 2014.

Free bike sharing program allows exploration of Olde Towne

Special to The Clinton Courier

A wise person once said, "You are only one bike ride away from a good mood," and Main Street Clinton is embracing that philosophy with its new bike share program by encouraging people to experience Olde Towne by bike.

Since making the new Olde Towne Depot its home, Main Street has looked for ways to stay connected to the brick streets. The Main Street Board of Directors decided to purchase four cruiser bikes to make available to loan to the public. The bikes will be housed at the Olde Towne Depot and available to borrow during regular Depot office hours.

Visitors and residents can check out a bike by signing a waiver and leaving a driver's license while the bikes are in use. Renters are then free to explore the area by bike.

To learn more about the program, call the Main Street Clinton office at 601-924-5472 or email Main Street Clinton Director Tara Lytal at tlytal@clintonms.org.
