Special to The Clinton Courier

Immediately after graduation in May, the CHS Academic Team, consisting of Tanner DeYoung (captain), Kipp Gehris, Patrick Vinzant, Caleb Collins, Clark Hensley and Caitlin Carter, participated in the National Academic Competition finals held in New Orleans. They won

a bid to the competition by placing in the top four of schools from around the country in the on-line Quiznet competition.

At the national competition finals, the team placed second overall, the best in Clinton's history. The team then went to the nationals held in Washington, DC, and Chicago, and Clinton placed seventh overall.
