# Arrow boys' cross country team has a bright future

a good summer turnout out of the junior high, with probably a sixty to sixty-five percent summer attendance. The junior high boys met at 7 a.m. in the morning for practice and literally turned our program around this fall. They won the Mid-South this year, and that is kind of equivalent to a state meet for this area of the state.”

“The junior high had a successful season due to these guys: Creston Garlington, Ishman Bhuiyan,

Jake Wade, John Farr, Bo Bland and Harrison Lollar, “ said Solis. “We improved one hundred percent as a team from last year.”

Junior high highlights included Miguel Bankston’s third fastest time in the 3200 (11:56) among eighth graders in the state. Bankston is ranked number one in Mississippi and thirty-ninth in the nation in the 4K. J.T. Price has the second fastest time in the 3200 (11:56) among eighth graders in Mississippi; Charles Chisolm

claims the fifth fastest time in the 3200 (12:07) among eighth graders in Mississippi; and Josh Boone has the third fastest time in the 3200 (12:10)

among seventh graders in Mississippi and is ranked twenty-seventh in the nation in the 4K.

“Next year, our high school team will be lead by Evan Carite. Jack Maloney and Martinez Bogan, and the junior [high runners] that will be moving up to the high school. We are very excited about where our program is heading, and you’d better bet we will be shooting for a State Championship in cross country,” said Solis.
