

CCYL leaders host statewide retreat

Special to The Clinton Courier

Three Clinton Chamber Youth Leadership officers recently represented the city at the Mississippi Municipal League's (MML) Leadership Retreat. Pictured (l to r) are Natalie Hampton, chairwoman; Nehemiah Hicks, vice chairman; and Taylor Jones, secretary. The youth gathered at South Pointe Business Park with youth from across the state for a day that included team building, networking, roundtable discussions, leadership speakers and public speaking. The Clinton youth hosted and facilitated the retreat, giving them a chance to speak publicly before their peers and government officials across the state.
