

This year for Christmas I would like a remote control car. I would also like the Face Off game. A \$50 dollar PlayStation 4 gift card. It would also be nice. Could you please bring my dad a new wallet? I will leave cookies and milk for you and carrots for your reindeer. Thank you so much Santa!

Love,
Gavin Browe

Dear Santa,

I just want to say thank you to you, the reindeer and the elves for everything you do. All I want for Christmas this year is a Nintendo Switch. I have been very nice this year and thank you.

Sincerely,
Lilliana Howell

Dear Santa,

Hello, my name is Kailee Mae and I am in the third grade. I have been good this year. I have tried my best to do my best this year at school and home. This Christmas I would like the L.O.L. doll Ice Cream Parlor, a Poopsie Surprise, Tomodachi Life Game for 3ds and the Teen Titans Go movie. Most of all I want to be with my family because that's what Christmas is all about. I can't wait for our elves, Sprinkles and Twinkle to come! I will leave you milk and cookies by the fireplace. Safe travels! Until next year.

Your friend,
Kailee McCaugh

Dear Santa,

Hello, my name is Peyton. I've been pretty good this year. I would like a PlayStation 4 video game, 410 shotgun and a bike. I will leave you some Oreos and milk.

Sincerely,
Peyton Mee

Dear Santa,

First of all, I want you to know that I am very thankful for your kindness during the holiday season. I know that you try to bring presents to all the good children all over the world. I have been a very good girl all year long. I don't get in trouble and I make straight A's at my school. If I only get a few things on my Christmas list or even nothing at all I still love you and hope that you can at least stop by my house for cookies and milk. Please watch out for our little puppy Loo-Loo, she likes to chew on everything and she might chew on your sleigh. For my Christmas wish list this year I would like to have an iPhone 7 so I can call and text my mom, dad and sister and also take pictures, videos and play games on it. I would also like to have a mini tablet. The last thing I would like to have is some L.O.L. stuff. There are dolls, pets and capsules to choose from. I don't know what my sister wants but I'm sure you already know what she wants. Thank you for everything and be safe.

Sincerely,
Rylee Lynn

Dear Santa,

I am writing a letter to tell you what I would like for Christmas. I would like to have a video game. It is Skate 2. I can play this game with my friends. Please bring presents for my two cousins. I will have milk and cookies for you. Please have a safe trip and please bring snow!

Sincerely,
Garan Vonhader

Dear Santa,

I think I have been pretty good this year so I'm going to be telling you what I want for Christmas. First I want a laptop. Maybe some L.O.L. dolls as well. Also I want a brand new dollhouse. More JoJo bow as well. A new outfit, such as a cat outfit. Also some more pillows, a playhouse with décor in it. Finally some house shoes. Hopefully everybody gets what they want for Christmas.

Love,
Dalyla Thomas

Dear Santa,

Thank you for giving us gifts and sharing your kindness. It's not all about just getting

gifts; it's about caring, having fun with my family and showing kindness. I will be giving you cookies, milk and carrots for your reindeer. The cookies and milk are for you. I hope you're going to come to our house and I hope you bring some of your elves to help with you. I bet it's hard to get a lot of the houses but with help you got your elves. I wish I could experience your shop, elves and you as well. I wonder how your shop even works. I bet it is big enough to fit all of your elves. Thank you for caring. Thank you and your elves. My Christmas; Lego set, Hot Wheels, Nerf, Nerf darts and candy.

Sincerely,
Tanner Thompson
