Raiders Boys Golf Team Ready For Season To Start

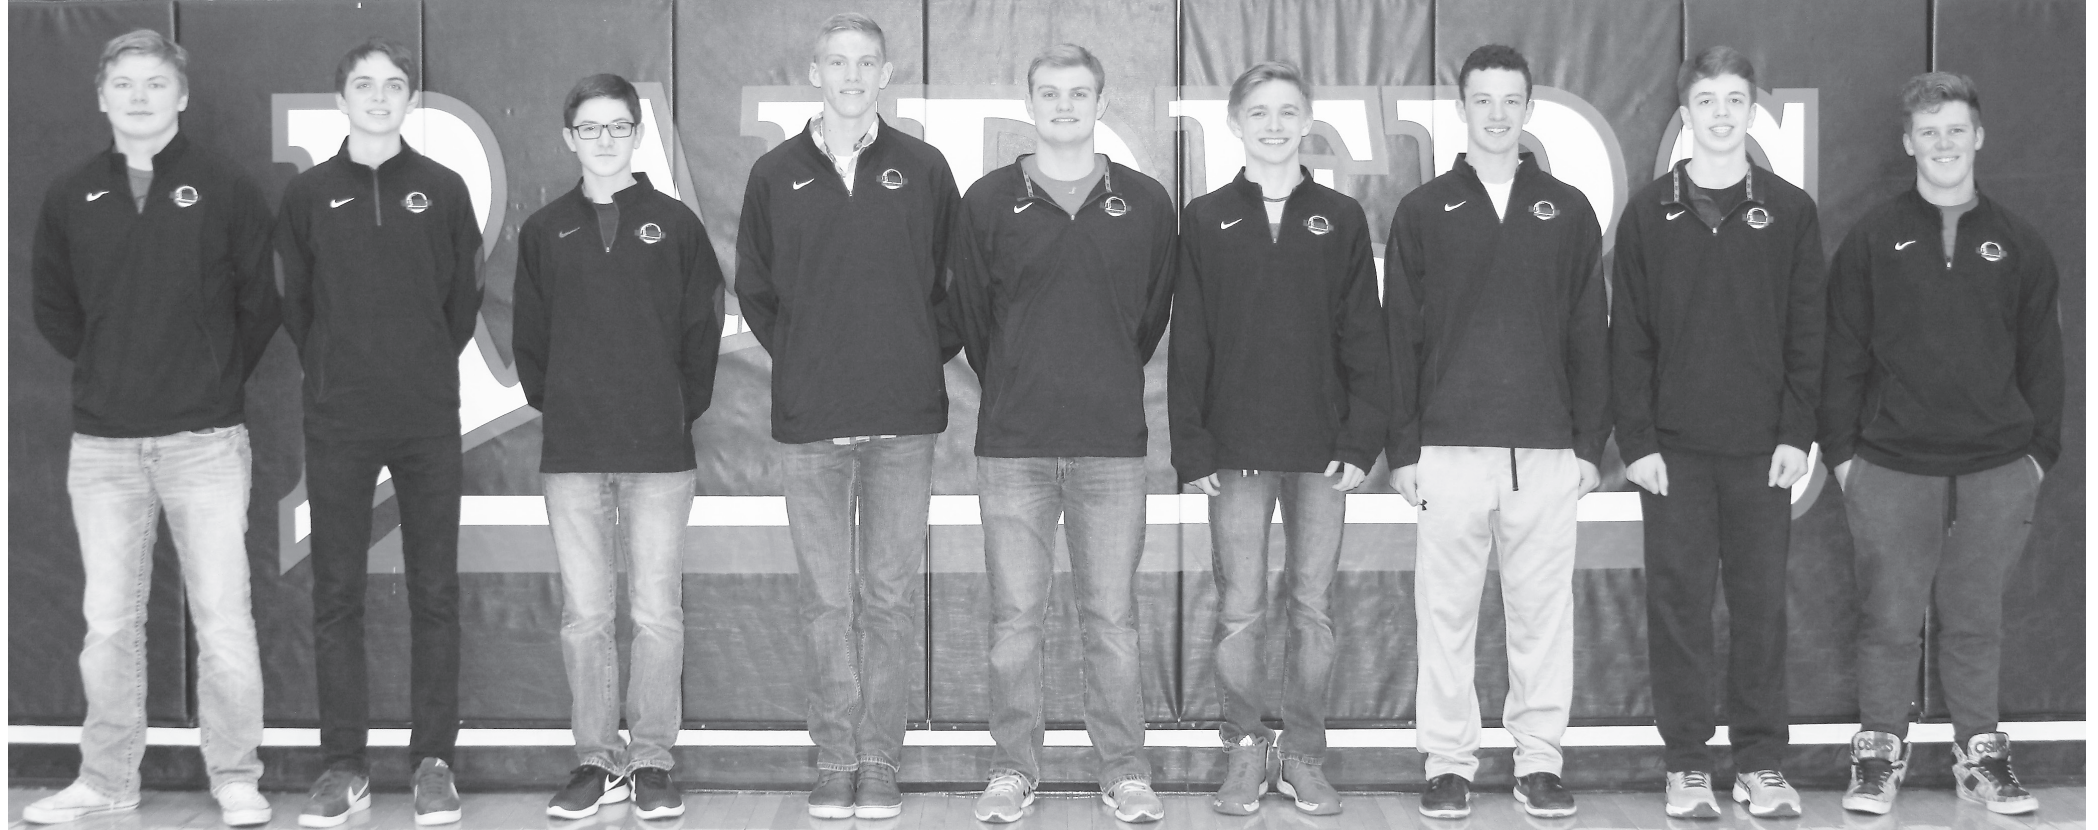

Well, it certainly doesn't seem like spring. Teams are practicing but hard to get outside when we have gotten as much snow as we have in the past few weeks.

The Lake Park-Audubon Raiders boys golf team is one of those practicing and waiting for the courses to clear off so they can get out and play. Head coach Kyle Haberman is in his second year of coaching, fifth year of coaching overall. His assistant is Brian Robertson.

Returning team members for the Raiders golf team are juniors Tyler Svare and sophomores Garret Kleven and Justin Wetli. Lone returning freshman is Andrew Wetli.

Haberman sees Tyler Svare as his main golfer this season. He is bringing back a lot of experience. He is a four year varsity golfer. He finished 12th in the Pine-To-Prairie Conference last season.

"I expect him to make that jump to the next level this year,"

The Lake Park-Audubon boys golf team members are, left to right, Jack Mattson, Andy Softing, Tyler Goodrich, Tyler Bjerke, Tyler Svare, Matt Olsen, Justin Wetli, Garret Kleven and Taylor Endres.

notes Haberman.

The team is hoping to get better from the first day of practice this year to the last day of golfing.

What happens when the snow is on the ground late in the spring you may wonder. Haberman says they end up cramming it all into

May. It makes spring sports very busy towards the end of the year. The team, in the preseason, has been going to the Sports Bubble after school in Fargo and have set up nets in the school gym.

Haberman's favorite thing about coaching golf is walking

holes with the boys on the team. He really gets to know them this way.

"We need to continue to build on last year's season," concludes Haberman. "We have a lot of young golfers and hopefully they will put in the time to better our

performances."

The roster for the Lake Park-Audubon Raiders boys golf team is:

Matt Olson	Senior
Jack Mattson	Senior
Taylor Endres	Senior
Tyler Svare	Junior

Andy Softing	Sophomore
Justin Wetli	Sophomore
Garret Kleven	Sophomore
Tyler Bjerke	Sophomore
Carson Pffingsten	Sophomore
Tyler Goodrich	Sophomore
Andrew Wetli	Freshman

Raider Girls Hope For Improvement Over Season

There are a lot of area teams waiting for the temps to warm up and the snow to melt so they can get outside and compete. The Lake Park-Audubon girls golf team are no different.

The Lake Park-Audubon girls golf team will again be coached by Coral Lunde. She is in her fourteenth year of coaching. She coaches both the varsity and junior varsity golf teams.

The golf team lost two seniors to graduation. They are looking to have the upcoming underclassmen fill in those spots.

Returning for the Raiders this year is sophomore Kay Pederson. The Raiders team this season is a young team overall.

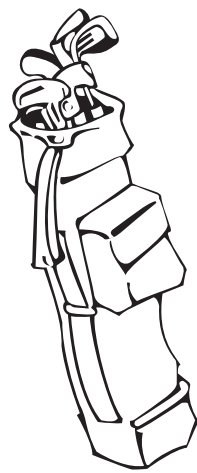

The roster for the Raiders this season include sophomores Kay Pederson, Bella Wollenberg, Morgan Nelson, Morgan Kruger, Kylie Stevens, Hailey Miletto and Emma Pederson. They also have freshman Bethany Vareberg, DeAndrea Williams and

Katherine Pickett.

Lunde notes that one of the team goals is to improve in the Pine-To-Prairie Conference. She sees Fossten as a contender in the conference. She is hoping to see a full team this season going to meets.

The Raiders are wanting to lower their scores to move up in the PTP conference. All of the girls on the team are eager to improve their golf game.

"I love to watch the improvement in their golf skills over the season," concludes Lunde. "These girls will play the rest of their life."
