

# CONGRATULATIONS TO THE GRADUATES...

*Life is nothing more than a series of milestones, some inconsequential, others huge. A very few of these milestones are actually life-changing. Put into that category births, deaths, the first day of school, a first job, a first love, a wedding and of course, graduation.*

*As the 2017-2018 school year comes to an end, 79 seniors from Barnesville and Rothsay Public Schools will assemble for the final time. They will put on their caps and gowns and process to their appointed place at the front of their respective auditoriums. They will be the guests of honor of all of the proud friends and relatives who have come to support them.*

*The District 850 and District 146 Classes of 2018 will graduate and become a part of history. For what the future holds for these 60 seniors from Barnesville and 19 seniors from Rothsay, see their biographies in this magazine.*

*Barnesville's graduation ceremony will be Saturday, May 26 at 2:00 p.m. in the new gym at the high school. Graduation ceremonies for the graduates from Rothsay will be one day later on Sunday, May 27 at 2:00 p.m. in the Performance Gymnasium.*

***A special thanks goes out to the secretaries at both Barnesville and Rothsay High Schools - Shelly Krueger, Missy Sossa and Steph Curtis; the schools' yearbook editors - Matt Askegaard and Jennifer Sletten along with countless others. These individuals were kind enough to provide pictures, student bios and class information. Without their help, the book would have been a lot more difficult to put together.***
