

# Here's All You Can Do In 4-H Tour

Have you ever wondered what 4-H is all about? Is there more to it than showing livestock and canning preserves? Join us at the Clay County Fair on Friday, July 13th for the All You Can Do in 4-H Tour. Meet 4-Hers and learn about their projects such as fashion review, mechanical sciences, horses, livestock, and much more! The tour begins at 4:30 outside of the 4-H food stand and concludes at the horse

arena. As champions of non formal learning, 4-H awards youth countless opportunities to learn and grow as leaders through hands on experiences that foster a propensity for lifelong learning. 4-H serves youth of all ages, growing and changing with youth as they progress as learners and leaders. Come see all the wonderful and fun opportunities 4-H has to offer!

## Just in case

### You catch more than your limit
