Barnesville, MN

**Phone: 218 354-2170**  
**Fax: 218 354-7766**

**Good Luck...**to all the  
participants at the Clay County Fair.

At those times when you just need to stop, take a little break from walking the fairgrounds, here's a suggestion that may result in a prize or two.

Join the Barnesville Lions as they invite you to play a little Bingo in one, two or every day of the fair.

Bingo cards are pretty inexpensive at the fair. Players cover the number the caller selects at random. Those first to cover the specified numbered slots on the card shout "BINGO" and win a cash prize.

Try your luck on Thursday and Friday, July 12 and 13, from 6:00 to 11:00 p.m.; Saturday, July 14, from 2:00 to 11:00 p.m.; and Sunday, July 15, from 1:00 to 3:00 p.m. Note these times have changed a little from last year.

When enjoying this year's Clay County Fair, why not stop by the Lions shelter to give your body a rest and still have some fun at the fair?

Give bingo a try this year and test your luck!
