

For A Change... Do The Nickel Scramble!

We've heard of trying to find a needle in a haystack. Not a lot of fun, really. But toss a bunch of nickels into the hay for kids to find and keep and the results are fun for all.

Using their eyes to search and hands to dig kids look for nickels that are hidden in a pile of straw. They will have the chance to find as many nickels

in the straw as possible during the time allowed.

The popular annual children's activity at the Clay County Fair will be held at 2:00 p.m. on Saturday, July 14, near the District 47 Schoolhouse.

Kids are given a chance to search through loose straw to find nickels scattered throughout the area and collect

the coins in cups. The best part is that the kids get to keep all of the nickels that they can find.

Contestants are divided into three separate age groups, six and under, seven to 12 and 13 and over.

Bring the kids by to make some money at the Clay County Fair.

Come to the 2018 Barnesville Potato Days!
