

Fun With Pottery At The Fair!

There's something amazing about seeing a piece of pottery take shape. You can watch and participate in this fun and practical art at the fair.

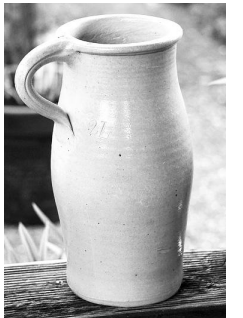

Fun With Pottery will be held Friday, July 13, and Saturday July 14, at the Open Class Exhibit Building.

As a participant, you'll enjoy pottery making demonstrations

and one-on-one instruction on the pottery wheel.

You will learn the process of making pottery, and there will be an opportunity to make your own pottery and take it home with you.

Daily session times are 11:00 a.m. (Saturday only), 11:45 a.m., 1:00 p.m., 1:45 p.m., 2:30 p.m. and 3:15 p.m. for kids over 18!
