

Stoneridge Road Returning To Fair

There is plenty of family-friendly entertainment scheduled all four days of the Clay County Fair. Best of all, much of it is free!

The band shelter, located directly south of the free gate entrance, is a great place for fair visitors to enjoy singing, dancing and

comedy.

Among the acts you'll be able to see this year at the band shelter is Stoneridge Road, which takes to the stage Thursday, July 12, at 8:30 p.m..

Barnesville residents Eric Newell and Leah Baker have been performing

together since 2011. After realizing a shared passion for creating live music, the duo has performed at several local venues and community events.

With Newell on guitar and vocals, and Baker adding vocals, Stoneridge Road engages audiences

with a variety of music, including a selection of pop, country, rock and some original tunes. Enjoy the musical talents of Stoneridge Road at the 2018 Clay County Fair!
