Just In Case, Rain Locations Planned For The Festival

Though we haven't had to use any alternative locations for our events, the Potato Days Board has made sure that most of the festival events will continue if rain should occur.

One can check at the Information Booth, located at the four-way stop, to find out weather conditions.

Any event that can be relocated indoors will be and any event that can be moved

back outside after rain will be.

The elementary cafeteria would host the Kid's Games and the Potato Car Races; the Mashed Potato Eating Contest, Miss Tator Tot, Mashed Potato Sculpture Contest, Peeling Contest would be in the high school cafeteria.

The Teen Dance and the Street Dance and Beer Garden would be relocated to the fairgrounds.

Check with the Information Booth for any questions about any events.
