

Everyone's A Winner In Miss Tator Tot

Each little girl that enters, ages five and six as of September 1, 2018, is a winner in the Miss Tator Tot contest. Every contestant receives a participation trophy and a chance to ride on the float during the parade on Saturday at 5:30 p.m.

The finale to the contest takes place on the main stage on Friday, August 24 at 6:00 p.m., but the young girls take part in the information session and interviews on Thursday, August 23. During the interview session they are judged on poise, general knowledge, manners and responses.

During Friday's contest, the girls model a "potato sack" creation and also a party dress. They are judged on originality, poise, grace, smile and presentation.

Each year the girls steal the hearts of the audience. The main stage on Front Street is the place to be on Friday.

Miss Tator Tot is sponsored by Carlson & Associates.
