

# Jacob Woody Back To Entertain The Crowd

**By: Jacob Woody**

My name is Jacob Woody. I am 17, and I attend school at LPA. I am so honored to perform again this year at Barnesville Potato Days. I'm going to try and take the audience on a journey through traditional country music, singing some original songs I wrote, also doing some country greats.

Also doing some of the greats of country music, such as "Ramblin' Man" (by Waylon Jennings), "Sing me Back a Home" (by Merle Haggard), "Folsom Prison Blues" (by Johnny Cash), "Hey Good Lookin'" (by Hank Williams), and many more.

So I hope you'll enjoy my show on Friday August 24 at 3:00 p.m.
