

Down The Hatch - As Fast As You Can!

“Calling all Potato Lovers to the Mashed Potato Eating Contest!” This is one event you can definitely sink your teeth into, or at least your face!!! Each contestant is given one bowl of mashed potatoes and you are timed to see who can eat their bowl the fastest.

Each contestant can bring a beverage of their choice to help rinse as they go. Potato Days will provide butter, salt and pepper for

your mashed potatoes.

There is no entry fee and sign-up can be done right before the contest. It fills up fast so contestants need to get there early.

A plaque is given to the winner and a participation ribbon is given to all other contestants. There are three age categories – Kids-8 & under, Youth-9 – 12, Teens and over.

Being part of the Potato Days

entertainment adds to everyone’s fun of celebrating the lowly potato at the Potato Days Festival. Whether a contestant ever eats mashed potatoes again we don’t know!

Mashed Potato Eating Contest is sponsored by the Purple Goose.

The contest is at 2:30 p.m. Saturday on the Main Stage. This may be one of those contests you won’t have to practice for to be ready!
