There's No Substitute For A Farmer's Elevator

Kids Will Have Fun, Fun, Fun In Barrels

On Friday, August 24 the small fries can have a ride on the barrel train that is sponsored by Dean's Bulk Service. This is a fun ride for the little ones and a great place to grab that camera and get a few photos because the smiles are huge.

The train was designed

and built by Wayne Tonsfeldt of Barnesville. He used oil barrels from Dean's and beet planter wheels donated by the former Alloway Manufacturing Company of West Fargo.

The barrel rides are always a favorite whenever it appears at a local event. Once in a while an adult will join in the

fun and take ride with their little tot!

Rides begin in the Midwest Bank Parking Lot on Friday from 7:30 – 8:30 p.m.
