

Watch These Race Cars Peel Out!

If you've never taken in this event – this is the year to bring the young ones to participate or watch! This is the event for the creative boy or girl ages 5-11. They are invited to take part in the Potato Car Races Friday from 7:15 to 8:00 p.m. in the Friendship Park parking lot.

There is no fee to enter but the first 48 to sign up go into competition. Each contestant is provided with the potato and all items needed to create their race car. Be ready to race at 7:15 p.m.

Building of the cars will begin at 6:30 p.m. Nelson Auto Center is the event sponsor for Potato Car Races.

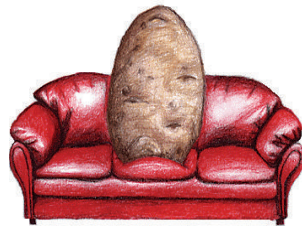

Two contestants race at a time and the winner advances to the next round until there are six winners left. From those six the first, second and third place winners are determined.

Excitement abounds while cheering on a favorite racer. If you haven't watched this event before, it is one to add to your list to make sure you get to.
