

# Shimmy Sisters Return To Potato Days

**By: Shimmy Sisters**  
A small dance troupe was started in 1999. We were asked to perform and then to teach at the Spirit Room in downtown

Fargo. We decided to base our group from there. We chose the name 'Suhbi'. Suhbi is an Arabic word that means girlfriend. We were unaware at the time,

that Arabic has no word for the meaning we wanted to convey, a close knit group of women. We wanted the organization to be a friendship. We wanted everyone to have an equal say in how things were run.

put together would yield more knowledge than just one.

Together we have over 70 years of dance experience with over 50 of those years in belly dance. Once a Shimmy Sister, always a Shimmy Sister.

The Shimmy Sisters will hit

the stage Friday, August 24 at 1:00 p.m.
