

Remember Potato Days With A Souvenir

Buying a Potato Days Souvenir is a good way to remember all the fun one has while attending the events at the Potato Days Festival. And where better to get a Potato Days souvenir than at our new location 124 Front Street, located right next to the Information Booth or across from the Main Stage. Come shop in air conditioning!

While you are shopping you can also check out some memorabilia that we have collected over the years! You can share memories with your family and look back at what fun we've had over the years!

Back again this year is the Potato Days Cookbook. This is a collection of over 300 recipes from past Potato Cook-Off Competitions.

This year you will be able to purchase 2014, 2015, 2016 and 2017 recipes and add them to

your cookbook. It's a great gift and a great keepsake!

Other fun souvenirs available for purchase will be the following items:

- Potato Days Buttons
- Potato Days Can Koozies
- Brass Christmas Ornaments
- Potato Shaped Scrub Brushes

- Potato Shaped Bag Clip
- Potato Masher
- Veggie Scrub
- Potato Shaped Spud Peeler

All profits from the sale of souvenirs go back to offset Festival expenses.

Located right inside the new shop space is there is a map of the United States and a map of Minnesota. Visitors are encouraged to put a pin on the map to show where they are from.

Each year festival organizers track where visitors are from and have found that all 50 states have been represented at one time or another.

The Information Booth

located right at the 4-way stop across from the Main Stage is open from 9:00 a.m. to 9:00 p.m. both days of the Festival.

One can find a copy of the tabloid and brochure with full schedule and maps of locations of events. The volunteers

manning the booth are more than happy to answer any questions and receive any comments one might one to share.
