

2018 Barnesville Trojan Football Seniors

#2

PRESTON
SNOBL

Years on Varsity: 3 **Positions played:** QB/TE/LB
Parents: Scott and Sandra Snobl
Favorite Football Memory: Beating Hawley three years in a row and playing in the state finals.

Coaches Comments: Preston moved here 3 years ago and has started each year he was on the team. He has played a multitude of positions and has done well at all of them. Filled in at QB to begin the season and then went back to End and did a great job. Played linebacker as well and was always towards the top in every game for tackles and points. His enthusiasm and hard hitting will be missed next year.

#9

ADRIAN
O'BRIEN

Years on Varsity: 1 **Positions played:** DB
Parents: Dennis and Tayra O'Brien
Favorite Football Memory: Beating Minneapolis North.
Coaches Comments: Adrian joined the team after not playing football since the 8th grade. He was an amazing corner and helped the team tremendously. As the playoffs rolled on and more and more teams tried their hand at throwing at him, he was always in position and made some fantastic plays.

#10

KELLEN
HINSZ

Years on Varsity: 3 **Positions played:** RB/S
Parents: Tracy and Kerry Hinsz
Favorite Football Memory: Playing in US Bank Stadium and having a successful year.

Coaches Comments: Kellen came back out after missing a year or better of football with a broken leg and then a couple knee injuries. When the season started we wanted to just use him on defense but as the injury bug hit us we used him at running back as well and he was outstanding in both areas. Kellen is always cracking a joke and has a great personality. His work ethic and determination will be missed next year, he had a tremendous senior year.

#12

JACOB
MORGAN

Years on Varsity: 2 **Positions played:** RB/DB
Parents: John and Kristi Morgan
Favorite Football Memory: When Nick Detloff got triple thrustured in the Roseau game.

Coaches Comments: Jacob did a great job for us on special teams this year and played some corner as well. Jacob is a very hard worker and a great young man to have around. He is always smiling.

#14

SAM
ASKEGAARD

Years on Varsity: 2 **Positions played:** QB
Parents: Andrew and Marion Askegaard
Favorite Football Memory: Against Roseau Nick Detloff got thrustured on.

Coaches Comments: Sam played quarterback and safety for us, when Adam Tonsfeldt was out Sam played quarterback with another player and did a good job. Sam also saw time on some special teams, he was always smiling and doing something to have a good time. He has a great personality and was a joy to have on the team.

#21

BROOKS
MARTINSON

Years on Varsity: 2 **Positions played:** TE/LB
Parents: Tanya Martinson and Jason Thompson
Favorite Football Memory: Beating Hawley in the section championship three years in a row.

Coaches Comments: Brooks played linebacker for us as well as tight end. Brooks to me is one of our most improved players over the years, he was good last year and this year he was excellent at Linebacker. He is a smart player and reads lineman extremely well. Brooks would always go in where he was needed and understands the game so well. His passion on defense will be missed.

#30

CHASE
BRENNER

Years on Varsity: 4 **Positions played:** RB/DB
Parents: Ed Brenner
Favorite Football Memory: Being able to play in US Bank Stadium three times.

Coaches Comments: Chase has been a three year starter at corner and has started at running back the past two years. Chase is not a big kid but plays like he is so much bigger. Chase is a pure athlete and has so much to give the team from speed, smarts, and a knack to find the ball. He isn't a big kid but no matter how hard he got hit or hit someone he always popped back up. He will be missed next year for sure.

#31

GRANT
INNIGER

Years on Varsity: 4 **Positions played:** TE/DB
Parents: Brett and Holly Inniger
Favorite Football Memory: Beating Minneapolis North 34-20 in US Bank Stadium.

Coaches Comments: Grant is a great worker and a tremendous person and teammate. Grant played end for us on offense and safety on defense. Grant was named best teammate at the state championship game, an honor he well deserved. He is always smiling and listening, and always gave his best effort.

#43

NICK
DETLOFF

Years on Varsity: 3 **Positions played:** FB/DE
Parents: Mike and Krista Detloff
Favorite Football Memory: Having the turkey dinner in the Cities and talking about Joel Sipper walking in on Adam. This year was also just a great year to be a part of the team.

Coaches Comments: Nick had a tremendous senior season. He missed last year with an elbow/arm issue after starting for us as a sophomore. Nick has a huge heart and is always willing to do what is asked of him. This year he was asked to go in at fullback and lead the offense, he ended the season with over 1200 yards. Great kid, tremendous running back!
