He wiggles, he waddles, so watch for Toddles!

"Don't let Tripod fool you. A missing appendage is not going to hold him back. He's been training and working really hard with three good legs for the last 8 years now. He took the gold last year, and I'd say tripod is in his prime and he's ready to get out there and EARN IT again. Go Tripod!!"

Extra! Extra!
set to defend last year's victory for
Northwoods Press

"WALLOW" in the mud has no time for stops, 'cause if he don't win, he'll be chops!
