## All eligible voters invited to attend a meet the candidates forum

Todd-Wadena Electric Cooperative (TWEC) will host a "Meet the Candidates" forum on October 23 at the Lions Community Center in Verndale for all eligible voters. A social hour with light refreshments will be served at 6 p.m., and at 7 p.m. the candidate forum will begin.

"Issues involving rural access to broadband, rate regulation of cooperatives, protection of our assigned service territory rights, renewable energy, strengthening our rural economies and a host of other related issues, can all be influenced by our elected officials. TWEC believes that its membership and all eligible voters deserve to be informed about the views that their candidates have on these important issues and this is why we have historically sponsored a candidates forum within our service area," said Dan Carlisle, TWEC President/CEO.

Democratic member control, educating members, and concern for community

are three of the cooperative principles and reasons why TWEC is hosting this forum for voters. TWEC members are encouraged to attend, as are all eligible voters in the area. All candidates from Minnesota House Districts 2B, 5B, 9A, 9B, Senate District 8, Governor, State Senator, Attorney General, State Auditor, and Secretary of State candidates have been invited to this event.

Each candidate will be given a few minutes to explain his or her reasons for running for office and his or her legislative priorities. In addition, attendees will be invited to write questions that will be forwarded for the candidates' responses. While the cooperative's primary interest involves energy issues, all matters of legislation will be open for discussion. The event will take place at the Lions Community Center at 109 1st Street SE, Verndale, MN 56481.

## HC COLA meeting October 25

The Hubbard County Coalition of Lake Associations (HC COLA) will conduct its board meeting on Thursday, October 25 at the Northwoods Bank Community Room, 1200 1st St. E. in Park Rapids. The public is invited to attend and learn from our presenter also. Refreshments and conversation at 5:30 p.m.; Presentation begins at 6 p.m. The business meeting follows.

Area Fisheries Supervisor Doug Kingsley, MN DNR, will talk about results of Dissolved Oxygen and Temperature sampling that a few Lake Associations have been doing to monitor conditions for cold water fish species like Cisco. Doug will also cover how that monitoring might be used to detect imminent summer fish kills or changes from increasing air temperatures or land use.

William Lee, Water Quality Resource Specialist, Hubbard SWCD, will share highlights of the Deerview Road Drainage Improvement Project in Henrietta Township. He will also cover salt runoff considerations.

Our vision: "HC COLA is the Leader in Protecting Hubbard County Lakes and Rivers for this and future generations."

## HCLL concludes the series with the "The Lost Forty"

Headwaters Center for Lifelong Learning concludes its fall series on Tuesday, October 23 with "The Lost Forty" from 1-2:30 p.m. at Park Theatre in Park Rapids.

Brian Miller, a musician, music teacher, researcher, librarian, and a dad, brings his duo to perform revived and refreshed traditional folk songs collected from Minnesota during the white pine boom era. He says, "We intersperse the performance with stories and local history, incorporating projected historical photos as well." Miller reports "we do several songs from a set of 100-year-old recordings I discovered through my research that are of the Phillips family of Chamberlain, Minnesota."

This program is funded in part by the Minnesota Clean Water Land and Legacy Amendment. The program is open to the public, free of charge, and handicap accessible. Seating is limited, so plan to arrive early. HCLL will resume programs with its spring series, beginning in late February.
